8. Adhere the "Life is a Daring Adventure" saying to the card as shown, using tape for the top and dimensional for the bottom (to compensate for the layers underneath the top part of the card).
9. Attach the footprints to the card by using tape in the bottom left corner where it will be on top of the saying, one Dimensional on the top left corner where it will be on top of the icon, and two dimensionals (one on top of the other) on the top right side where it will be above just the Designer Series Paper.
